

**Architectural and Architectural Engineering Education Programs  
at Bachelor & Master Level  
Accredited by JABEE  
Last updated: 22 September 2025**

JABEE has been accrediting Architectural and Architectural Engineering Education Programs at Bachelor & Master Level since 2008. Listed here are integrated education programs of architectural and architectural engineering education of undergraduate (4 years) and postgraduate (2 years).

Programs are listed under higher education institution and in alphabetical order of Program Titles. The year indicated after respective Program Titles are the academic year when the programs were first accredited by JABEE (academic year starts from beginning of April and end at March). Comprehensive review visits are normally conducted at six-year intervals. Students are deemed to have graduated from an accredited program within its validity period of accreditation.

JABEE has been admitted as a full signatory to the Canberra Accord since June 2019. Recognition of the substantial equivalency of the accredited Architectural and Architectural Engineering Education Programs by the other signatories of the Canberra Accord has been effective since 1<sup>st</sup> January 2019.
