Validity Expired Education Programs of All Levels and Categories
Accredited by JABEE
Last updated: 27 August 2021

JABEE accredits education programs of Engineering at Bachelor Level, Engineering at Master Level, Computing and IT-related at Bachelor Level and Architectural and Architectural Engineering Education at Bachelor & Master Level. Listed here are education programs which are no longer accredited.

Programs are listed under higher education institution and in alphabetical order of Program Titles. The year indicated after respective Program Titles are the academic year when the programs were first accredited by JABEE and followed by final academic year of accreditation when programs discontinued or programs whose accreditation validity have expired (Note: Japanese academic year starts from beginning of April and end at the end of following March).

Electronics and Control Systems Engineering (EL) 2005-2011
Dept. of Electronics and Computer Science
Faculty of Science and Engineering

Tottori University

Bioengineering (BO) 2006-2010
Dept. of Biotechnology
Faculty of Engineering

Electrical and Electronic Engineering (EL) 2003-2013
Dept. of Electrical and Electronic Engineering
Faculty of Engineering

Information Engineering (IF) 2005-2009
Dept. of Information and Knowledge Engineering
Faculty of Engineering

Rural and Environmental Engineering (AE) 2006-2010
School of Agricultural, Biological and Environmental Sciences
Faculty of Agriculture

Tohoku University of Technology
