

## MEMORANDUM OF UNDERSTANDING

among

**JABEE**

and

**The Institute of Professional Engineers, Japan (IPEJ)**

and

**Japanese Society for Engineering Education (JSEE)**

Whereas:

- (A) **JABEE** acknowledges its commitment to enhance the quality of engineering education and has experience in engineering education accreditation;
- (B) **IPEJ** acknowledges its commitment to promote engineers mobility and has experience in professional engineers' international register;
- (C) **JSEE** acknowledges its commitment to actively develop creative engineers and has experience in research and development of engineering education,

Sharing an interest in promoting the mobility worldwide of engineering students and teaching staff as well as professional engineers, **JABEE**, **IPEJ** and **JSEE** agree to collaborate in the following items:

- 1. Share information amongst the three parties in setting up periodical meetings of the representatives of the three parties and set up joint strategies;
- 2. Exchange information of the three parties prior to meetings held in foreign countries, such as IEA General Assembly and FEIAP;
- 3. Organize, wherever possible, joint workshops, seminars and/or conferences;
- 4. Any other items, which the three parties consider as necessary.

Three parties agree to keep examining the following collaboration.

- 5. Make effort to get supports from the Governments in line with the strategy referred to in 1;

This Memorandum of Understanding is valid for four years from the day it is signed by all three parties. The extension for other four years shall be made based on the confirmation in writing of all three parties. The Memorandum of Understanding shall be terminated by any one of parties with a three-month advance notice in writing to the other parties.

The Memorandum of Understanding shall be reviewed at any time any one of parties wishes to make substantial changes to the terms contained herein.
